Registration for courses in Native Language and Culture (HSK)
HSK-Course English

I would like to register my son/daughter for the English Course in Native Language and Culture and obligate myself to ensure that my child regularly attends the course. Registration is effective from the age of 4-11. Withdrawal from the course by parents as a rule only possible as per end of the semester and must be given in writing to the school coordinator (name and address below.) The course is not free of charge; the coordinator will give information.
